

Science

This initial list of science resources is based on recommendations from learned societies, including:

- the Association for Science Education (ASE)
- the Royal Society of Biology (RSB)
- the Royal Society of Chemistry (RSC)
- the Institute of Physics (IOP)

These resources link closely to the national curriculum, however there are many other resources supporting enrichment and practical activities available on the societies' websites and elsewhere.

Science: primary

BBC Bitesize

Website: <https://www.bbc.co.uk/bitesize/primary>

Key stages: key stage 1 and key stage 2

Description: interactive resources covering the primary science curriculum.

Registration: not required

STEM Learning (Home learning)

Website: <https://www.stem.org.uk/primary-science>

Key stages: key stage 1 and key stage 2

Description: an online resource bank, which links to resources on external websites. The site features a live chat function offering support from subject experts. New home learning resources are being developed.

Registration: not required
