That extra space will also mean that adults can lead activities during lunchtimes to try to target those children that are the least active. Children will have access to more space to stay active and learn new skills. The surface should be useable for at least 20 years so many children will benefit from the playground. Playground £11,164 1/2/4/5 The member of staff cascaded the information from this course to other staff members as well as sharing knowledge Ongoing student and staff support for long term sustainable benefits. Mental Health First Aid course £300 To train a member of staff - Mental Health First Aid. 3 and resources with children Equipment for playground and PE lessons to have enough equipment for one per child. Playtimes to have stimulating equipment to encourage children to be active. quipment supports planning in place which has long term sustainable benefits. PE lessons as well as repairs to £2,332 1/2/4/5 PE lessons and playtimes are engaging and active. play equipment. To work with children who are the least active to build their confidence and enjoyment of physical activity in a safe environment. To develop the skills of more able children and extend their physical ability. Moving Targeted children chosen by PE lead and class teachers. Specific activities used in sessions. Least active developed TA follows planning in place which has long term sustainable benefits. PE teaching assistant £2,897 confidence to go and join in with PE lessons.
